TAKE ADVANTAGE OF THIS IMPORTANT BENEFIT FROM **PAYMETRIX HR**  
Payroll \* HR \* Time

**Identity theft is the fastest growing crime in the US.** Clearing your name can cost you significant time, money and stress. Even finding out you're a victim can be difficult. That's why PayMetrix HR is making ARX-ID Identity Theft Protection available to you. ARX-ID can catch fraud early and fix it completely on your behalf, to protect you and your family from identity theft. Flexible plans are available so you can find the protection that's right for you (see reverse for details).

### DETECT

ARX-ID offers more than simple credit monitoring, by monitoring your complete identity profile to catch all forms of identity theft, including tax return, government benefit and medical identity theft.

### PROTECT

Get the flexible coverage you need with your choice of three plan levels, including coverage that protects children, seniors, and other household family members. See reverse side for plan comparisons and pricing.

### CORRECT

The entire identity theft recovery process is managed on your behalf, taking away the hassles of phone calls and follow up. All forms are automatically generated with your information, and a dedicated Certified Recovery Expert handles your case until completion.

Core ID's Certified Recovery Experts are in-house, screened, US-based employees.
